

Sponsor a Horse

The horses are considered to be the true “therapists.” and are the heart of our program, They are chosen for their calm, quiet nature. Read Below to see how you can benefit by your sponsorship.

Horse Sponsorship

Your decision to sponsor a horse in our therapeutic riding program provides many benefits for your business or group as well as for one of our lucky horses or ponies and their riders.

For example, your gift of \$1,500 will:

- provide care for a horse or pony for a full year
- provide hay, feed and bedding
- cover some of the cost of veterinary care, medications, and the farrier.

Your business or group benefits too. If you visit our facility to present your check you'll receive a thank-you letter and a photo of your horse for display at your place of business.

Other benefits include:

- tax deductible donation.
- a plaque on your horse's stall door naming you as sponsor
- recognition on our website and in our newsletter

Thank you for your Compassion! Community support is essential to the success of our program. If you have any questions about therapeutic riding, or would like to sponsor a rider or a horse, please contact:
