

## Sponsor a Child

### We Need Your Help!

Many of our clients do not have financial means to pay for therapeutic riding. That's why our Sponsor-A-Rider Program is so critical to our goal, we never want to be in the position of having to deny our services to anyone in need!

Please help us fulfill our mission by helping to fund riding lessons for a deserving individual. A donation of \$320.00 provides 1-(8) week session of lessons & therapy for one rider. A donation of \$2000.00 provides riding lessons for one rider for one year. We are grateful for any gift to offset riding lesson & therapy fees!

To arrange a visit to our facility and witness personally the benefits of therapeutic riding, please call 215-766-9357 to make an appointment. Thank you for your consideration.
